

STAMP PADS

Cloth covered dry stamp pads with heavy duty steel casing for long lasting usage. Hinged lid/cover helps to prevent solvent evaporation in between uses and also prevents the dust from settling on the pad.

Available in the following sizes:

4" x 5-7/8" (10x15cm)

4-3/4" x 6-3/4" (12x17cm)

5-7/8" x 7-7/8" (15x20cm)

7-7/8" x 11-3/4" (20x30cm)

Fabric covered felt pads for high quality impressions.

Heavy duty steel casing for long lasting usage.

Lid can be closed to keep the pad moist.

For use with F-1 Lumber Marking Inks

Specially formulated by our chemist with the following qualities:

1. Marks wet & frozen lumber
2. No strong odor
3. Crisp sharp color
4. Permanent

Heavy duty steel casing for long lasting usage
Replacement pre-inked inserts are available in Black, Red, Blue & Green.

WOOD PACKAGING MARKING

MANUAL OR HAND STAMPING

Hand Mounts and Stamp Hammers are the simplest way to mark pallets and wood packaging products. Used with pre-inked, or dry stamp pads with lumber ink, to provide clear long lasting imprints. Many different sizes and styles are available.

SELF-INKING HAND PRINTER

Fast, consistent and continuous printing on entire lifts of lumber in a single pass. Eliminates the need for stamp pads and continually re-inking the stamps. Lightweight & portable operation allows users to stamp anywhere throughout the plant.

000 HT

AUTOMATED PRINTING

For higher volume applications, automatic marking provides continuous imprints without the need for constant attention.

Allows workers to perform other tasks while wood is being stamped automatically.

Can be mounted above, beside or below the production line.
